

Y5 TASTER SESSIONS

BOOKABLE NOW

Bohunt Worthing Year 5 Taster Mornings

Our Year 5 Taster sessions are designed to give you and your child the opportunity to hear about our unique educational philosophy and view the school day in action. You and your child will be given the opportunity to have a tour of the school, talk to current KS3 students and staff about their experiences, and participate in a fun activity.

" My daughter has thoroughly enjoyed her time there and it has helped her develop into a confident and caring young person who enjoys learning and is now ready for the next stage in her education/life".

**Bohunt Worthing
