

Sussex Police and Adur & Worthing Parents Awareness Evening Monday 9th December

Following similar events for the parents and carers of high school children at the beginning of the year, Sussex Police and Adur & Worthing are holding another Parents Awareness Evening on the evening of Monday 9th December which St Andrews have kindly agreed to host for us. We would like to invite you as parents/guardians of Year 6 students to this free event. The evening will cover key topics such as knife crime, anti-social behaviour and exploitation as well as showing what support is available locally for children and young people.

If you would like to attend this session, please click on the below registration link:

- [Monday 9th December Registration Form](#)

Please note that places are limited so if the above form is closed it means the event has reached capacity. Light refreshments (teas/coffees) will be provided on the evening. Limited on-street parking is available in the residential roads surrounding the school, and the nearest train station (Worthing Train Station) and bus routes are a short walk away. The school is wheelchair accessible. The event is for parents/carers of high school and Year 6 aged children, however, we understand that childcare arrangements may not be possible so children are allowed to attend if other arrangements cannot be made (maximum 4 spaces per person).

We really look forward to seeing you there, but if you have any questions in the meantime, please contact safer.communities@adur-worthing.gov.uk.
