October 2024

Dear Parent/Carer,

I am writing to inform you that the Online Safety and Acceptable Use Policy has been updated on our school website. By clicking on the below link, you can read this policy in full but the changes relate to mobile phone use at school for staff and children as well as the role that you as parents can play at home to support this.

From Monday 7<sup>th</sup> October, any student bringing in a mobile phone to school will be expected to hand this over to their class teacher when entering the classroom. Their teacher will lock this in a secure box and hand it back to the child at the end of the school day. If this applies to your child because they walk to and/or from school independently, then any phone must be clearly labelled with the child's name and class.

Yours sincerely,

Paul Barnard
